“ Hello, we are so sorry for your lost. It was kind of interesting a few years back, in a years time that we met Bill, Filbert, and Gilbert all in different places sharing their love for God. Threw out the years we always enjoyed running into our friends when we were out and about. We believe they made an impact on many. Gilbert and Filbert will be truly missed.  
Our prayers are with their family.  
God Bless,  
Cathy and Greg
